# ARTIST INDEX

In this section of **Mainstream Rock Hits**, we list every record that has hit the Mainstream Rock Top Ten songs chart from 21 March 1981 to 31 December 2016.

The information is presented alphabetically by artist's first name (instead of the surname), and then chronologically for each hit.

Each hit single is catalogued with the following information: date disc first hit the chart, title of hit, highest position the hit reached on the chart, and total number of weeks spent at #1.

The Heavy Edition also contains the total number of weeks spent on the chart.

**Symbols:**

- ① Number One Hit
- ▲ Top Three Hit

**Collaborations:**

We have credited collaborative hits under the entries of all the artists involved. So, for example, you will find Stevie Nicks and Tom Petty's 1981 hit, "Stop Draggin' My Heart Around", listed twice - once under Stevie Nicks and once under Tom Petty. The points of this hit are given to both artists.
